HIYA! The name's Dash, and I've got some high-speed Super powers! Check out this picture of me with my Super family!

That's my sister, Violet.
She can turn invisible. Whatever!

My parents used to be the best, most famous Supers ever! They were always saving the city from bad guys. Dad liked to work alone, but sometimes Mom beat him to the punch.

Then for some dumb reason, people stopped liking Supers, so we had to keep our powers secret. My dad hated not being a Super. He and his friend Lucius (who's really the cool Super Frozone) used to go out on these secret hero missions.

Mom was okay with being normal. She likes doing Mom stuff, like feeding my little brother, Jack-Jack.

One day Dad went back to doing Super work, but he got captured on some far-out island! That's when things started to get really **WILD**!

Use the code below to find out who wants to destroy all the Supers—including my dad!

1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	19	20	21	22	23	24	25	26

Don't stress it, Dad. The Dash is ready to do some **SUPER-AWESOME** hero moves!

My mom didn't even want to let Vi and me go with her to save Dad. It wasn't my fault we ended up on the jet. It was Violet's idea. **REALLY!**

WHOA! Flying on a jet is cool,
but I could do without the missiles!

My mom is definitely not like other moms!

I would totally be captain of the swim team—if Mom would just let me try out.

Okay, since Vi is steering this boat (and we all know she needs help), try guiding us through the rough waters to the island so we can save Dad.

Can you believe it?! Mom actually wants Vi and me to use our powers if we have to. **AWESOME!**

GOOD JOB, VI! My dumb sister just triggered the island security alarm.

WHOA! Those island guards are fast!

Oh, yeah, now's the time to . . . **RUN!**

There's Vi! Now you see her, now you don't!

I'm starting to get the hang of this hero stuff.
PRETTY SWEET, HUH?

Running away from bad guys calls for top speed.

Help is on the way!

Which path will lead my parents to Vi and me?

ANSWER C

WOW! Mom and Dad really know how to get the bad guys.

So what if we're caught? Mom and Dad won't let some stupid immobi-ray slow us down.

Now we've gotta get home to save the city from Syndrome's robot. A rocket and a little help from his assistant do the trick. **AWESOME!**

Fasten your seat belts! It's going to be a
BUMPY trip!

Dad still has this thing about doing his hero work alone, but Mom says, "**NO WAY!**" All right, Mom! The Dash is ready!

THE INCREDIBLES to the rescue!

AWESOME! We beat the evil robot.
Being a Super is too cool.

Oh, man! Syndrome's got my little brother!

Jack-Jack took care of Syndrome on his own.
AWESOME!

Now Mom and Dad let me run track, but I always try to come in a close second. I can't blow my **SUPER** cover.

So that's our story. Bad guys, beware!

THE INCREDIBLES are always ready to save the day—the family way!

To Create Your Own Comic Strip

- 1 Think about what happens in the missing parts of the story.
- 2 Fill in the missing parts by using crayons to draw pictures and speech bubbles in the blank boxes.
- 3 Wipe the boxes clean with a tissue and start again!
